Lighting

Linear lights

bright

versatile

small footprint

Illuminate:

kitchens

bathrooms

beams & rafters

Bathrooms receive uniform, bright light.

Damp and wet rated LEDs can be trusted in wet environments

High output linear lighting is now in the forefront of room illumination.

Recess LEDs almost anywhere

Many shapes of light integrate with decor

Recess in drywall, wood, or stone

Light goes precisely where it is needed

Luminaires

clean

attractive

functional

Create:

texture

depth

sense of movement

Premium architectural downlights are an obvious upgrade from plain options available at big box stores.

Trimless fixtures are on-trend and create a sleek, clean look in many materials

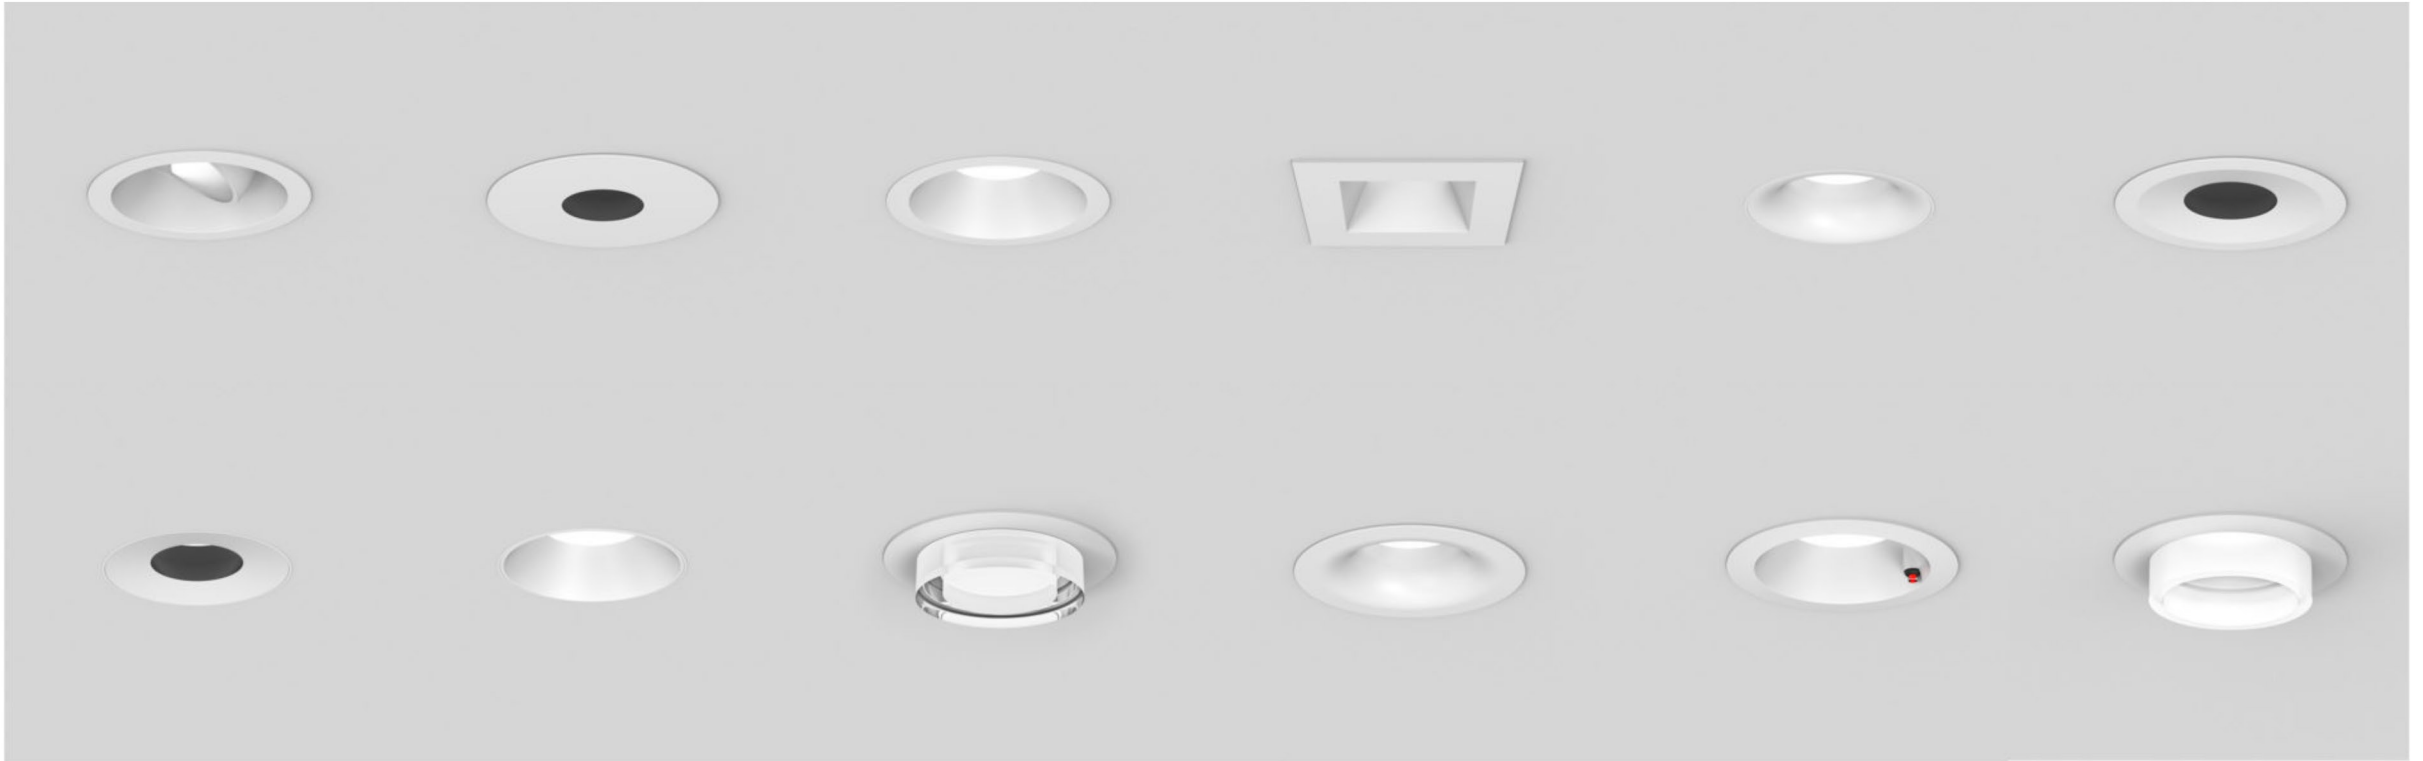

accent lighting

task lighting

general lighting

Modular - New Construction
frame installs during electrical
no rush to choose trim

Modular - Retrofit
use existing downlight frames
replacement frames available
